

CITY OF
GRAND RAPIDS
IT'S IN MINNESOTA'S NATURE

MobilityMania
Accessibility for All

The “Accessibility For All” Challenge is being extended to you!

The City of Rapids supports Mobility Mania in its quest to make Itasca County the most wheelchair accessible county in the state.

If you are planning on building or renovating in the City of Grand Rapids, it is our hope that you will be open to a conversation with our wheelchair experts that will share tips, tricks and a wheelchair point of view to ensure your project is not only code complaint, but the most accessible it can be as well.

Will you take the “Accessibility For All” challenge and help us make our community a better place for all? Accessible for All!

For more information, video and PowerPoint, see www.mobilitymania.org
For collaboration, please call Myrna at 218-301-6028 or Lee at 218-290-7349.

**We greatly appreciate your time and
consideration. Thank you very much!**
